HAS SUCCESS SINKING

U. S. Sttel

Warden Dickerson, who has been this morning carrying on a number of experiments with dug wells at the prison farm to increase the water supply is meeting (By Associated Press.) with considerable success, says the

sunk as deep as the big hand pump and two-inch pump was installed. The wells at the present time are crowding the two-inch pump out of sented to the board for adoption. business and a heavier pump is to be installed shortly.

With this sort of water supply within a few feet of the surface it is figured that considerably more land can be placed under cultivation.

At a point on the south end of the farm, where one of the best wells on various branches of the subject. plant an orchard of considerable pro portions. This spot has been selected (By Associated Press) given to the holdings this spring.
